*New Buffalo Bill's is a simple concept. Prepare the best food we can utilizing my 45 year's experience in the culinary arts and my love for BBQ, especially Texas BBQ. All right here in New Buffalo, Michigan in the heart of Harbor Country.*

*We believe in long slow cooking using a variety of local woods and a combination of spice rubs that enhance the visual appeal and flavor of our food. Then, we offer side dishes that offer additional choices to the basic mac and cheese and cole slaw. We have indoor an patio dining and have made the dining room comfortable so our guests will feel at home. You can dine in, take out or drive thru. We also offer a few beer choices because what's bbq without beer? Our staff is friendly and helpful people who share our sense of hospitality.*

*We smoke our meats for up 16 hours. If we have "sold out" of your favorite item, please forgive us for not having it, but rest assured it will be back on our menu the next business day! Our 60 square foot "Ole Hickory Smoker" was built to allow us to mix old world smoking techniques with modern technology to help us control consistent low temperatures. We can smoke 40 briskets or 90 racks of baby back ribs or 60 pork shoulders or 180 half chickens low and slow at one time.*

**Open Wednesday thru Sunday 11:30 am - 9:00 pm**

**You and your guest are cordially invited to enjoy one complimentary sandwich or entrée when a second sandwich or entrée of equal or greater value is purchased Wednesday through Sunday**

***Valid Wednesday - Sunday. Not valid on carry-out or catering.  
Excludes Family Packs and Meat by the Pound.***

*Offer expires December 31, 2019*
